“Service Above Self” is the motto of Rotary throughout the world. The Rotary Club of Keizer has helped to fund and build many projects throughout Keizer. A few examples include the Rotary amphitheater at Keizer Rapids Park and the arboretum in honor of Wilbur Bluhm at the park. Many Keizer Rotarians rolled up their sleeves and helped build the Big Toy. There are projects at other parks, too.

In writing your essay, speak to what “Service Above Self” means to you and how you have exemplified that motto in your life: activities you have volunteered for, leadership roles you have held, and how your work has made a difference to you, to others who participated, and/or to the community. Think of this essay as being about you and the opportunity to tell Keizer Rotarians about your contributions. Limit your essay to 300 words.
